TRIBAL COURT

FILED

IN THE COURT OF THE QUAPAW NATION  
(THE O-GAH-PAH)

Quapaw Nation  
Petitioner(s),

Case No. CR-21-09

Vs.

Tamara Smiley- Reeves  
Defendant(s)

**ORDER ASSIGNING JUDGE FOR DISCOVERY ISSUES**

Because of the complex nature of this case and the volume of discovery in this matter, the Court finds that it would be in the best interests of the parties, and for judicial efficiency, to appoint another Judge to hear all matters related to discovery in this case.

Having first discussed the matter with Judge Pitchlynn, the Court hereby assigns all discovery issues including motions to compel, motions for protective orders as to discovery materials, etc. to Judge Pitchlynn.

The Court would request that Judge Pitchlynn report back, as soon as practicable, on the status of discovery and an estimate on when discovery will be complete so that this matter may proceed to trial. Judge Pitchlynn is authorized to make any and all orders relating to discovery in this matter, including setting hearings and imposing deadlines.

It is so ordered.
